

HOLY FAMILY JUNIOR NATIONAL SCHOOL

Work List for Children who have English as an Additional Language (EAL)

May 18th to May 22nd

Theme: 'Outdoor Spaces & Gardens'

Dear Children,

Our theme in English class this week is '**Outdoor Spaces & Gardens**'. This week we will explore our outdoor spaces and gardens. We will learn some new words that will help us to name the plants we see outside and to describe the things we like to do outside. We have included some songs and stories, a fun nature hunt, and an art activity.

Parents,

**Please contact your child's English teacher at their email address
(see school website or Click [HERE](#)).**

The teacher will then be able to send a tailored plan directly to you.

Please pick one or two songs from the list below to sing each week. It will help you to revise important words that we use all the time at school.
