

## SEN Worklist June 22 - 30

Dear Parents,

Below is some suggested work that you can do with your child for the week beginning June 22 . This is a general list of ideas for children who receive extra support in school. If your child is finding the below work too easy or difficult please contact your child's S.E.N. teacher for more specific work to support your child's learning.

You could refer to and revisit previous files on the school's website (S.E.N. files in [Archive](#))  
N.B. Some of the suggested websites may contain ads. Children should always be supervised when using the internet.

## Numeracy

DATA:

The next time you are out for a walk or even looking out the window, watch out for the colour of the cars that pass by. Below are 6 colours, every time you see a car of one of these colours, put a tick beside that colours name.

<b>Silver</b>				
<b>Black</b>				
<b>White</b>				
<b>Red</b>				
<b>Blue</b>				
<b>Yellow</b>				

What colour car was the most popular?

What colour car was the least popular?

Try this at a different time of the day to see if you get the same result!

Can you make a bar chart to show this information?
