Work List for Reading Recovery

25th-29th May

These are some suggestions that may be helpful. Please do not feel under pressure to complete all this work. Also, please feel free to e-mail me and let me know how you are getting on or if I can be of assistance in any way.

FAMILIAR READING

Read some books which you have read before. This is a wonderful way to reinforce those tricky sightwords, to develop reading fluency and to promote confidence.

TRICKY WORDS/SIGHTWORDS

- The following website has a nice game where sightwords appear on bricks that you smash. Type in **room recess sight word smash** into your browser. You can then select the level appropriate for your child e.g. **Kinders, 1stGrade** etc. Enjoy!
- The next website has a nice catchy song to reinforce those tricky sightwords. Type **Phase 3 Tricky Words Song Say Hello To** into your browser to access the website.

NEW READING

www.starfall.com has great resources. Go into the section, **Learn to Read**. In this section you will see three headings: **Game, Book and Skills**. Each game focuses on particular phonic skills and the corresponding on-line book incorporates these phonic skills in the story.

NEW READING

Free eBooks (only eBooks are free on this site) can be accessed through this website.
