4th – 5th June

These are some suggestions that may be helpful. Please do not feel under pressure to complete all this work. Also, please feel free to e-mail me and let me know how you are getting on or if I can be of assistance in any way.

NO NEW READING THIS WEEK

FAMILIAR READING

Read some books which you have read before. This is a wonderful way to reinforce tricky sightwords, to develop reading fluency and to promote confidence.

TRICKY WORDS/SIGHTWORDS

- The following website has a nice game where sightwords appear on bricks that you smash. Type in [room recess sight word smash](#) into your browser. You can then select the level appropriate for your child e.g. [Kinders](#), [1stGrade](#) etc. Enjoy!
- The next website has a nice catchy song to reinforce tricky sightwords. Type [Phase 3 Tricky Words Song Say Hello To](#) into your browser to access the website.

www.starfall.com has great resources. Go into the section, [Learn to Read](#). In this section you will see three headings: [Game](#), [Book](#) and [Skills](#). Each game focuses on particular specific phonic skills and the corresponding on-line book incorporates these phonic skills in the accompanying story.

Free eBooks (only eBooks are free on this site) can be accessed through this website.
