DataBiz On-Line Payments

Dear Parents/Guardians,

The On-line Payments facility to pay school services is available via the DataBiz Solutions payment portal. DataBiz Solutions is an Irish software company used for our database since 2008. They use Stripe, an international processing firm as it's card payment processor. Stripe has been audited by PCI-certified auditors and is certified to PCI Service Provider Level 1. This is the most stringent level of certification available.

For security reasons, this is the preferred method of payment for Holy Family Junior School. To make on-line payments via this system, there are two steps to follow:
